

Hand Sewing Unicorn

Materials:

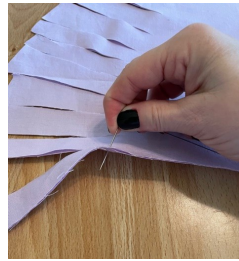

- 2 pieces of felt or material approximately 9 x 12 in.
- 6 strips of complimentary fabric approximately 1 x 5 in.
- Stuffing
- Needle & thread
- Scissors
- Marker and other optional embellishments.

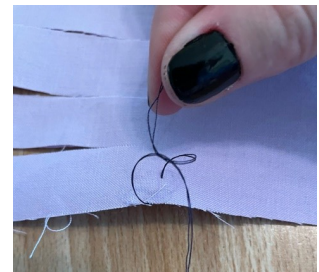

1. Cut out 2 main pieces and line them up to sew.

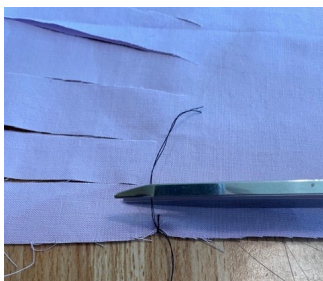

2. Cut strips and set aside for later.

3. Insert your threaded needle here and pull almost all the way through the two pieces of fabric.

4. Tie a knot.

5. Cut the tail.

6. Start sewing around the edge of the unicorn using the running stitch.

7. Start at the first red + and sew around the neck and snout of the unicorn up to the ear to the second +. Do not sew the mane.

8. Separate the unicorn at the mane and start to stuff.

9. Tie a double knots to keep the stuffing inside.

9. Tie all of the strips and stuff the unicorn.

10. Add the complimentary color strips for embellishment. By tying them to the already tied knots.

11. Use a marker to draw eyelids with lashes, a snout, and mouth.

**Enjoy
your
Unicorn!**
