

## Fall 2023 Tech Help Series

**Tech Mondays for 55+ 10am-11:30am Drop-in! No appt. needed**  
**Sept 11 & 25; Oct. 16 & 23, Nov. 13 & 27, Dec. 11**

*Open tech-help hours for adults 55 and over. Bring a specific tech question, discuss current tech topics, or learn something new. First-come-first-served. Presented by Wayne Senior Center. (Also: Tues 1pm & Fri. 2pm Tech Help by Appt. See Library Calendar.)*

### Android Basics Monday, September 25 at 12pm

*In this introduction of how to use an Android device we'll start from the very beginning. Practice basic 'gestures', get acquainted with the layout of the phone, and learn the basic functions. Because Android-based devices can vary depending on the manufacturer (Google, Samsung, Motorola, etc.), please bring your device with you to practice on.*

### Online Selling: Declutter, Downsize, and Get Paid!

#### Selling Online: Marketplace & Local Sales Monday, October 16 at 12pm.

*Learn how to get started selling things online, whether you're looking to sell extra items around the house or start a small business. This first workshop will be focused on online platforms focused on local sales. Specific examples will make use of Facebook Marketplace but general tips can be applied to any service.*

#### Selling Online: eBay & Online Sales Monday, October 23 at 12pm

*Expanding on the previous workshop, learn how to sell online to buyers outside of your area. Explore common services such as eBay, Etsy, Reverb, and others and learn some general tips for listing, shipping, and getting paid.*

### iPhone Tech Help Series:

#### iPhone Basics: Getting Started (Layout, Basics Functions, Gestures) Monday, November 13 at 12pm

*In this introduction of how to use an iPhone we'll start from the very beginning. Practice basic 'gestures', get acquainted with the layout of the phone, and learn the basic functions. Bring your phone and any relevant account info & passwords to follow along.*

#### iPhone Basics: Customization (Apps, Notifications, Accessibility) Monday, November 27 at 12pm

*Customize your phone's settings and layout to suit your needs. Learn how to adjust notifications, download new apps, and make use of built-in accessibility features to enhance your experience using your phone. Bring your phone and any relevant account info & passwords to follow along.*

#### iPhone Basics: Photo Sharing & Organization Monday, December 11 at 12PM

*Prepare for holiday photo-ops in this final iPhone Basics workshop. We'll dive deeper into the Camera app and learn how to share and organize your photos. Bring your iPhone and your AppleID password to follow along*
