

## Paoli Library – July 2024

### General Programing:

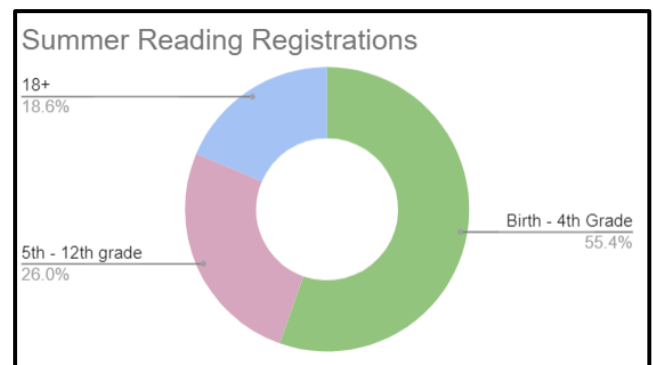

Children's program attendance continues to soar! In July there were a total of 406 patrons in children's and teen programs. The 4<sup>th</sup> of July holiday week usually means that program attendance will drop a bit, but we stayed steady. We're continuing to have an average of 30-40 patrons in our Tuesday storytime, with our Thursday storytime having an average of 50-60!

I have some new

Our adult programing has taken off as well. We are now offering a multitude of adult programs, in person, with more to come! I hope you can join us for one sometime.

### Summer Reading:

Summer Reading is going very well, and will end on August 19<sup>th</sup> – the Willistown Country Fair on August 20<sup>th</sup> will mark the finally. As of the end of July we have signed up 170 Summer Reading participants with many more to come! My goal is 200, to beat last year's number.

### The Building:

The soundproof panels in the program room have begun falling off of the wall. Being installed sometime in the mid 1990's, this doesn't come as much of a shock. I will be working together with the township to take these panels down, repaint the wall that is under them, and put up new and more modern panels by the end of the year. I'm looking forward to the new look of the room!
